Ian Price

Atlanta, GA | 770-605-3596 | michael.ian.price@gmail.com | ianprice.co | LinkedIn | GitHub

Experience

DigitalCrafts | Full-Stack Web Developer | *Atlanta, GA*   February 2017 – June 2017
- 16 week intensive, full-time accelerated learning program
- Learned Python and full-stack JavaScript (React, Redux, Node.js, Express), PostgreSQL, HTML5, CSS3, Apache, and AWS
- Recent projects include:

    Picnik | picnik.ianprice.co   May 2017 – June 2017
  - Web application that allows users to plan picnics and invite guests via email
  - Built with React, Redux, JSX, CSS, jQuery, Node.js, Express, PostgreSQL, Google Places API, OpenWeatherMap API
  - Features recipes from Yummly Recipe API, beers from BreweryDB Beer API, and wines from Snooth Wine API
  - Beer and wine pairings for each recipe are shown based on the flavor profile of the recipe and the style of beverage
  - Invitations are picnic summaries sent to each guest email address. Guests accept or decline the invitation via links in the email

    Smarta | marta.ianprice.co   April 2017
  - Search and mapping tool that allows users to search for restaurants and businesses based on their proximity to mass transit
  - Built with HTML, CSS, Node.js, Express, PostgreSQL, Yelp API, and Google Maps API
  - Features ability to search for businesses by keyword, price level, rating, and proximity to MARTA stop or route.
  - Displays search results on map created using Google Maps API

    Draw Together | draw-together.ianprice.co   March 2017
  - Canvas drawing tool that allows concurrent users to draw on a communal canvas
  - Built with HTML Canvas, CSS, Node.js, Express, and Socket.IO
  - Records actions for all users and broadcasts those actions to maintain similar state across all user instances

Visioneering Technologies Inc. | IT & Logistics Analyst | *Alpharetta, GA*   December 2016 – February 2017
- Worked with key stakeholders to analyze and improve logistical and technical operations.
- Our team completed a full product inventory, managed the shipping and receiving of new product and outgoing orders, and provided technical support during the transition to a new website.
- Helped answer internal technology questions regarding Salesforce, the company website, and inventory management.

Multifamily Utility Company | Account Administrator | *Roswell, GA*   February 2016 – December 2016
- Supported client relations and helped implement utility billing programs for property management companies.
- My daily tasks included gathering information for property utility billing, finding solutions for questions about our billing, training property managers to use our web portal, and auditing billing processes to ensure customer satisfaction with our programs.

Fox Creek Golf Course | Pro Shop Associate | *Smyrna, GA*   August 2015 – March 2016

Jekyll Brewing | Bottling Associate | *Alpharetta, GA*   September 2015 – February 2016

Home Depot | Garden Recovery Associate | *Denver, CO*   March 2015 – May 2015

Colorado Fair Share | Database Maintenance | *Denver, CO*   September 2014 – November 2014

Sweeps | Finance/Operations Intern | *Chapel Hill, NC*   January 2013 – June 2014
- Reported directly to Founder, provided data analysis, and aided development team during launch of new web application.
- Processed weekly financial operations for 12 months, managed operations data tracking annual revenues, and created metrics for measuring growth patterns, examining customer demographics, and comparing marketing campaigns.

Education

The University of North Carolina | B.A. | *Chapel Hill, NC*   Fall 2010 – Spring 2014
- Economics major with History and Computer Science double minor
- Involved in Study Abroad Peer Advisors, Club Ultimate Frisbee Team, and UNC Outdoors Club

The University of Otago | Semester Abroad | *Dunedin, NZ*   Spring 2012
- Enrolled in Economics, New Zealand Cinema, and Philosophy courses
- Explored ecological and historical sites across the country with the Otago University Tramping Club, a student organization focused on hiking, camping, and other outdoor activities
